

As the grandson and son of a pharmaceutical family business, I followed a different path in the Robotics, Industry and IT sectors. Over 27 years of experience, working in multinational and leading Greek industrial companies as well as creating three high-tech startups. Extensive management skills, including management at strategic and financial levels, technical training, sales and marketing and innovation with an extensive international network. In depth knowledge of the Greek Industry, collaborations with private and public sectors in Greece as well as with EU, EMEA, APAC, US, Canada and Venture Capitals, Private Equities and ESG professionals. I speak 4 languages, I am a graduate of the European School of Brussels and hold a BA, MA, PMBA. Periodic Lectures and presentations at AUEB, IEK Akmi, Hellenic American University and Panteion University. I enjoy writing articles and contributing to the new generation.
